**Mitchell Lance joins ST Engineering Hackney
As Vice President of Sales and Marketing**

Washington, NC, October 7, 2019 – ST Engineering Hackney has hired Mitchell Lance as Vice President of Sales and Marketing. Mitchell comes from a 30 year diverse sales and marketing background in leasing, contract carriage and business ownership. Most recently he worked in Aftermarket sales at Navistar and Volvo Group Trucks.

“We are very pleased to have Mitchell join the Hackney Team. Mitchell will reside in the corporate office located in Washington, NC. His extensive experience in the transportation industry will be a great asset to our customers. We welcome him to the team”, said Steve Miller, CEO

An Ohio native, Mr. Lance graduated from Capital University. Married for 28 years with two boys, and a girl. Mitchell is active in the special needs community and the founder of Unite Wake Forest.
